

Professional counseling in work with difficult youth, 11th -19th July 2016

Training course

Professional counseling in work with difficult youth

11th -19th July 2016,
Nasutów, Poland

About the project

The aim of the training course is to support people working with youth in their professional and personal development, equip them with knowledge and tools necessary to work with difficult youth so that they can effectively help young people find themselves in the labour market and to develop their interpersonal skills and communication.

Training program involves three modules:

1. Vocational Guidance for troubled youth
2. Elements of coaching in individual work with a difficult participant
3. Psychological support and understanding of the group process
